Regarding **Instructions for evaluation work**

Means,

It is to bring to your notice that the evaluation of Under Graduate examinations April, 2019 has been scheduled in the month of May, 2019. In previous years it has been observed that very few number of college teachers join evaluation centre for evaluation of Under Graduate scripts.

Since the evaluation is directly linked with the result of lakhs of students and evaluation work has to complete in a time bound manner. You are, therefore, directed to ensure to relieve and issue necessary instructions to the teaching staff under your control to report at their respective evaluation centres for evaluation of the scripts and timely completion of the evaluation work.

This may be given top priority.
