Based on this analysis, it seems that the college performs well in several areas, such as course content, classroom availability, and campus cleanliness. However, there are areas for improvement, such as canteen facilities and internet availability. Overall, it appears to be a positive learning environment.

Here are some recommendations based on the report:

1. Canteen Facility:
- Since the canteen facility received a lower rating, consider enhancing the variety of food options, maintaining cleanliness, and ensuring prompt service. A well-functioning canteen can significantly contribute to student satisfaction.

2. Internet Facilities:
- Given that internet facilities received mixed feedback, consider improving Wi-Fi coverage across the campus. Reliable internet access is crucial for research, online learning, and communication.

3. Library Resources:
- While the library resources are generally good, consider expanding the collection of books and digital resources. Regular updates and diverse materials can enhance the learning experience.

4. Basic Facilities:
- Continue maintaining excellent washrooms, water supply, and electricity. These basic amenities contribute to overall well-being and comfort for students and staff.

5. Overall Learning Environment:
- Capitalize on the positive aspects by fostering a collaborative and engaging learning environment. Encourage student participation, organize workshops, and create opportunities for interdisciplinary interactions.

Action Taken Report on Parents' Feedback Analysis - Session 2022-23

Based on the comprehensive feedback gathered from stakeholders during the academic session 2022-23, the institution has implemented focused actions across various areas to address feedback and enhance overall satisfaction:

1. Transparency of Evaluation System: We have reinforced transparency by improving communication on assessment criteria and conducting faculty activities to ensure fair grading practices

2. Quality of Teaching: Faculty development opportunities were expanded to integrate innovative teaching methods, alongside regular evaluations and student feedback mechanisms to enhance instructional quality.

4. Outcomes Achieved by Students: Curriculum alignment with industry standards was reviewed to bolster learning outcomes, complemented by strengthened career counseling and internship programs.

5. Admission Process: We streamlined admissions procedures for improved efficiency and transparency, while enhancing communication channels to support prospective students and families.

6. Discipline in the College: Proactive measures were implemented to reinforce discipline policies and promote a respectful campus environment.

7. Library Facility: We expanded library resources and services based on specific feedback, upgrading infrastructure to better meet academic needs.

8. College Infrastructure: Upgrades were initiated to enhance facilities crucial for student comfort and academic activities, ensuring regular maintenance for a safe and conducive learning environment.

9. Work Culture: Team-building activities and workshops were organized to strengthen collaboration and morale among faculty and staff.

10. Cooperation from Administrative Staff: Administrative staff received additional resources to enhance service delivery and responsiveness, with improved communication channels to address stakeholder concerns promptly.

These actions underscore our commitment to continuous improvement and upholding high standards across all facets of our institution. By addressing stakeholder feedback comprehensively, we aim to foster a supportive and enriching educational environment that promotes the holistic development and success of our students.
