Minor areas for improvement are noted in student treatment, infrastructure, and discipline, though these are largely viewed favorably.

## Action Taken Report : Parent Feedback Analysis

### Session (2023-24)

1. **Transparency of the Evaluation System:** The majority of respondents (74.24%) rated the transparency of the evaluation system as excellent. This reflects a strong confidence in the processes employed. Continued efforts will be made to maintain this level of transparency and to ensure that all stakeholders are informed of any changes or updates.
2. **Quality of Teaching:** A significant 75.1% of respondents rated the quality of teaching as excellent. This suggests that the faculty's commitment to delivering high-quality education is recognized. We will encourage faculty development programs and workshops to sustain and enhance teaching standards.
3. **Treatment of Students by Faculty:** While a majority (55.79%) rated the treatment of students positively, 41.2% still indicated very good treatment. There is room for improvement, especially regarding equitable treatment across diverse backgrounds. We will implement training programs focused on inclusivity and sensitivity to ensure that all students feel respected and valued.
4. **Outcomes Achieved by Students:** The feedback indicates that 61.8% of respondents view the outcomes achieved by their wards positively. To further enhance this, we will review and potentially revamp our curriculum and support services, ensuring that student outcomes align with their educational goals.
5. **Admission Process:** A rating of 59.22% for the admission process suggests a need for improvements. We will assess the current admissions strategy and identify bottlenecks, ensuring a smoother and more transparent process for prospective students.
6. **Discipline in the College:** The discipline ratings showed a positive response (60.51%), but there remains an opportunity for enhancement. We will consider workshops and awareness campaigns that promote a culture of respect and responsibility among students.
7. **Library Facility:** The library facility received a commendable rating of 71.24%. We aim to improve this by expanding our collection and digital resources, ensuring that students have access to comprehensive learning materials.
8. **College Infrastructure:** Although 57.51% rated the infrastructure positively, it indicates a need for upgrades. We will prioritize infrastructural improvements to provide a conducive learning environment, focusing on facilities that directly impact student experiences.
9. **Work Culture:** A rating of 63.09% for the observed work culture suggests that while many find the culture positive, there is room for enhancement. Initiatives aimed at fostering a collaborative environment will be introduced, ensuring that all voices are heard.
10. **Cooperation from Administrative Staff:** The cooperation from administrative staff received a satisfactory rating of 66.09%. We will continue to foster an environment of support and responsiveness, with training programs for staff to enhance their service quality.

In conclusion, while the evaluations highlight many strengths, the insights gained will drive continuous improvement across all facets of the college experience, ultimately enhancing student satisfaction and academic success.
